This means that you are granting us the right to use your User

Content without the obligation to pay royalties to any third party, including, but not limited to, a sound recording copyright owner (e.g., a record label), a musical work copyright owner (e.g., a music publisher), a performing rights organization (e.g., ASCAP, BMI, SESAC, etc.) (a “PRO”), a sound recording PRO (e.g., Sound Exchange), any unions or guilds, and engineers, producers or other royalty participants involved in the creation of User Content.

In addition, we have the right – but not the obligation – in our sole discretion to remove, disallow, block or delete any User Content (i) that we consider to violate these Terms, or (ii) in response to complaints from other users or third parties, with or without notice and without any liability to you. As a result, we recommend that you save copies of any User Content that you post to the Services on your personal device(s) in the event that you want to ensure that you have permanent access to copies of such User Content. We do not guarantee the accuracy, integrity, appropriateness or quality of any User Content, and under no circumstances will we be liable in any way for any User Content. You acknowledge that if you upload or post User Content to the Website, your User Content is made publicly available on the Website to all other users of the Website. We accept no liability in respect of any content submitted by users and published by us or by authorized third parties.

Limitless takes reasonable measures to expeditiously remove from our Services any infringing material that we become aware of. It is Limitless’ policy, in appropriate circumstances and at its discretion, to disable or terminate the accounts of users of the Website who repeatedly infringe copyrights or intellectual property rights of others. While our own staff is continually working to develop and evaluate our own product ideas and features, we pride ourselves on paying close attention to the interests, feedback, comments, and suggestions we receive from the user community. If you choose to contribute by sending us or our employees any ideas for products, services, features, modifications, enhancements, content, refinements, technologies, content offerings (such as audio, visual, games, or other types of content), promotions, strategies, or product/feature names, or any related documentation, artwork, computer code, diagrams, or other materials (collectively “Feedback”), then regardless of what your accompanying communication may say the following terms will apply, so that future misunderstandings can be avoided. perform (including on a through-to-the-audience basis), communicate to the public, make available, publicly display, and otherwise use and exploit the Feedback and derivatives thereof for any purpose and without restriction, free of charge and without attribution of any kind, including by making, using, selling, offering for sale, importing, and promoting commercial products and services that incorporate or embody Feedback, whether in whole or in part, and whether as provided or as modified.
